

**November 9<sup>th</sup> 2020**  
**THE ART OF MELANCHOLY**  
**Adam Busiakiewicz**

The quiet introspection of melancholy was often associated with creativity in the past, particularly in the 16th and 17th centuries, when significant treatises, music and art were dedicated to this condition. This lecture will investigate why and how artists and musicians responded to this significant part of the human condition.

**Other important dates in 2020**
